to bid

**RULES**  
Auction Participant Rules

**Auction ends**  
Thursday (8/13) at 6pm

1. You must be a minimum of 18 years of age.
2. You must be ready to buy the item you are bidding on. Your bid is a legally binding contract to purchase.
3. For more information on an item, visit and confer directly with the business providing the item.
4. Successful bidders are responsible for any taxes that apply directly with the merchant.
5. Employees of participating businesses may bid, but not on their employer's auction items.
6. Your phone number is required for auction contact only. The phone numbers will not be used in any other way or given to any third party. We respect your privacy.
7. Only cash or check will be accepted for payment and must be made to Cassgram within three business days after winner notification.
8. Winning bidders will be given a code number and they will pick up their new purchase directly from the business or arrange delivery directly through the business. Cassgram is not responsible for delivery.

**Auction Procedures**

1. This auction period started August 5<sup>TH</sup>, 2009. It concludes at exactly 6pm on August 13<sup>TH</sup>, 2009.
2. To bid on an item, call 298-7580, give the auction item number, the item description and your bid amount. Then leave your full name and your phone number. Cassgram may contact current highest bidder to validate the bid amount.
3. Bid increments in whole dollar amounts only, no cents. Bids cannot be retracted.
4. Updates on the auction standings will be available by 1pm each day starting Monday, August 9th through the auction period at [www.cassgramonline.com](http://www.cassgramonline.com). One update will be part of the August 12th print Cassgram that includes the highest bids as of Noon on August 11th. Other than those updates this follows a blind auction format (you do not know exactly where the highest bid stands) so it is best to make a strong bid while still trying to make a value purchase.
5. During the final hour of bidding 5pm to 6pm August 13th, the bidding phone line will be answered manually. Item updates and bids will be taken directly and in brief fashion. All bids will close at exactly 6pm CDT per US Naval Observatory time.
6. The highest bidder at the auction close will be declared the tentative winner. If there would be a tie between two or more bidders, Cassgram will conduct a random draw among those bidders.
7. Calls to the winning bidders will be made just after the auction closes. If, after 48 hours, we are unable to contact the winning bidder, Cassgram reserves the right to award the bid item to the next highest bidder. If a bidder fails to live up to the terms of his or her bid, Cassgram reserves the right to award the bid item to the next highest bidder.
8. Cassgram is responsible for the administration of the auction but is not responsible for any lost bids or any complications arising from electronic malfunctions or technical failure. The auction may be cancelled if technical problems occur.
9. All sales are final.
